TDK Corporation Receives Skyworks' 2008 Supplier of the Year Award

Company also receives two additional awards

Mount Prospect, IL, February 23, 2009—TDK Corporation of America was named the recipient of **Skyworks Solutions, Inc.'s** prestigious **2008 Supplier of the Year Award** for achieving the best overall supply chain, quality and technology. TDK Corporation, who received two additional honors, as well as nine other suppliers were recognized during Skyworks' Supplier Conference held in January in Irvine, California.

In addition to Supplier of the Year, TDK was also presented with the **2008 Quality Iron Man Award**, which is given to the supplier with the most consecutive quarters without quality issues. TDK also received the **2008 Best Supplier Award for Assembly Raw Materials** for excellent quality performance and solid alignment with Skyworks' supply chain requirements.

"TDK is extremely proud to be recognized by Skyworks for our quality and support. To be presented with the Supplier of the Year award, as well as two additional honors, emphasizes the importance of our strategic partnership," said Jon Nelson, President, TDK Corporation of America. "As we enter into a challenging time in our industry, we will continue to work together to meet the same supply quality and excellence and continually improve our processes to the benefit of both Skyworks and TDK."
